19% increase between the 2009 baseline and 2015 final survey.
Kansas teen seatbelt use has increased **23.5%** since 2009.
SAFE Enforcement Period

Thank you to the 115 Agencies that participated this year.

494 Officers worked a total of 1,379 hours to complete the enforcement.

The 2015 SAFE Enforcement period took place between February 23 and March 6.

All agencies across the state were invited to participate. Focus was directed toward the primary seatbelt law while state and local law enforcement patrolled around high schools before and after school.

24.6% of the citations were for Total Teen Seatbelt citations - 634
46.6% of the citations were for Total Adult Seatbelt citations - 1199
4.4% of the citations were for Total Child Restraint citations - 114
24.4% of the citations were for Total Other citations - 626
